Guidelines for Scientific / Poster Presentation

1. Registration for Conference is a prerequisite for Scientific Paper/Poster Presentation.
2. Title : Limit the title of the presentation to ten or fewer words.
3. Full text of abstract not exceeding 150 words may be fitted within the box of the abstract form or use additional sheet.
4. Time for Oral Presentation : **10 Min. + 2 Min. Discussion Time.**
5. Authors are requested to strictly adhere to the time limit.
6. Size of the Scientific Poster should be **2 ft. x 3 ft. only.**
7. Mention the name of the presenting author at bottom left of the poster in capital letters. Institute or guides name should not be written on the poster.
8. Each poster will be allotted a number which will be displayed on the poster boards. The author will fix the poster at their specified place only. Presenting author will be required to be present at a specified time by the poster side for discussion with judges for the Poster Award. Arrangements to fix posters must be made by the presenters on their own.
9. Please enclose Passport size photograph of the presenting author.
10. Last date for receiving application **for Scientific Paper and Poster Presentation** along with abstract is **15th April 2010.**
11. Scientific committee reserves the **right of accepting/ rejecting any Scientific Paper** or poster without assigning any reason thereof. The Authors shall be **informed about the acceptance / rejection of Scientific Presentation.**
